AFFIDAVIT OF ZONING CODE COMPLIANCE ACCESSORY DWELLING UNITS

I / We understand that in order to establish an Accessory Dwelling Unit within the exterior boundaries of the Swinomish Reservation, the property owner must reside in either the principal dwelling unit or the accessory dwelling unit and the property owner must comply with the general requirements for Accessory Dwelling Units as specified in the Swinomish Zoning Code.

Per STC 20-03.510(B)(1), Owner Occupancy means either the principal unit of the single-family dwelling or the accessory dwelling unit must be occupied by an owner of the property or an immediate family member of the property owner.

I / We hereby acknowledge compliance with the owner-occupancy provisions of the Swinomish Zoning Code and with all other general requirements for Accessory Dwelling Units as specified in the Swinomish Zoning Code. I / We certify that the above answers are true and complete to the best of my knowledge. I understand that the Swinomish Planning Commission is relying on them to make its decision.
